

DISCOVERING GALAPAGOS

Greetings from Galapagos!

ACTIVITY GUIDELINES

1. Teachers can ask their students about their holidays with questions about where they have been, why they went there and what they thought of the places they have seen.
2. Go through the Galapagos images with the students to stimulate conversation.
3. Students should then try to write a postcard from the Archipelago using the Galapagos Postcard template, explaining to their friends at home why they have chosen the Galapagos for their holiday.
